**Course Review/Build Notes**

T4 to T5 are at the same distance (T4 is above T5 on the same stand). T5 is a partial target cut horizontally along the A zone (full A zone available).

T2, T3, T6 and T7 are partial targets cut diagonally (full A zone available) at the same distance (e.g. T2 is above T3 on the same stand). T2 and T3 lean to the left and T6 and T7 lean to the right.

No shoots will be white in colour to offer a good contrast
