#### Course Review/Build Notes

All charge lines are timber, fixed in place and approx 8cm high.

The classic poppers are forward falling and will be mounted on pallets. P2 activates the swinger T15.

The two No Shoots shielding T15 (swinger) are metal (impenetrable). All other No Shoots are cardboard.

T1 to T4 are at the same distance approx 2m (T2 is above T3 on the same stand). They can only be seen/shot over the low wall which is approx 4 feet high.

T1 and T4 are partial targets cut vertically along the C zone (full C zone available).

T2 and T3 are partial targets cut horizontally along the A zone (full A zone available).

T8, T13 and T14 are partial targets cut diagonally (full A zone available).

No shoots will be white in colour to offer a good contrast
